

Mission Statement: To provide learning and social experiences based on individual learning styles and needs that will result in the acquisition of confidence and a love of learning.

# Tree House Times

## October 2024

Happy October,  
This month is going to be full of super fun activities for the kids and a few for the parents as well! We look forward to all the smiles this month will bring!

### Soft Reminders

- The season has officially changed and with that, comes cooler weather! Please be mindful of the clothing your children are wearing and make sure that it is weather appropriate for when they have outside time. Also, if you have not already done so, be sure to switch out their extra clothes for more weather appropriate ones.
- We have attached another link to the meal-time suggestions to the email. We would still like to hear from you all on what changes you think will be beneficial to the children. Please be sure to check out the monthly menu before any suggestions are made just to be sure it is not something that we already serve. Thank you so much for your participation!
